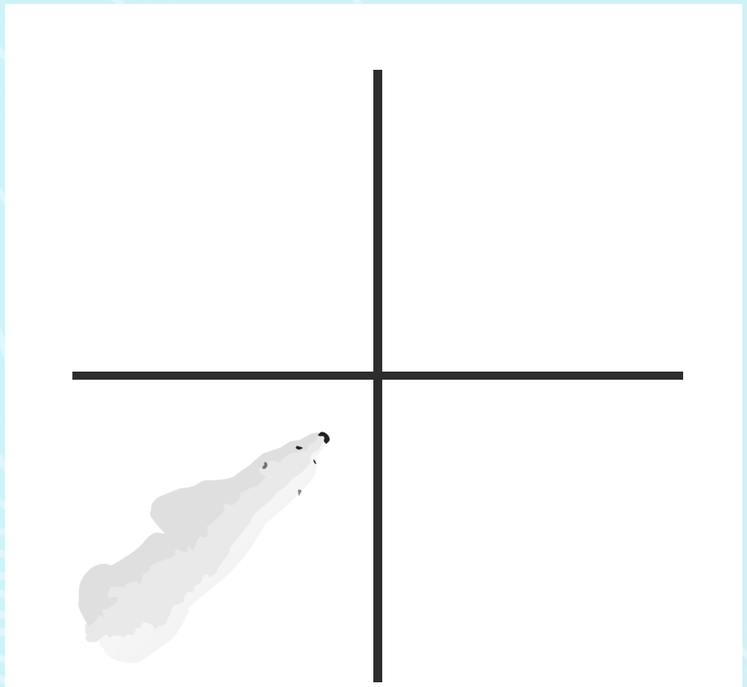
1. Go to 79° 0'44.00"N, 19°40'49.22"E

2. Install the mirrors

3. Leave.

PLAN

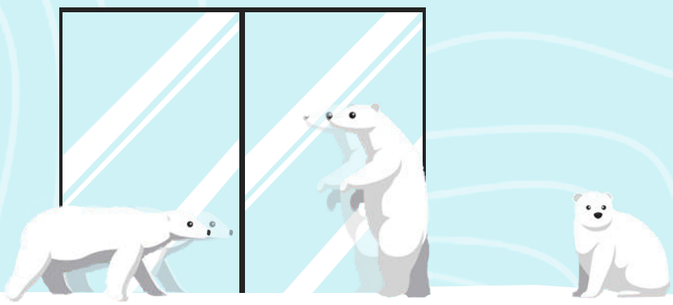


Drafted by rest of the world

PLAN

Drafted by the polar bear

SECTION



While this region of Svalbard still breathes silence,
The community is in the bear's mind for **eternity.**

Climate change is coming for all of them.
But the last bear alive must not feel lonely.
